## WHAT IS A RETREAT, ANYWAY?

A retreat is a weekend away - away from the normal distractions of life, school, maybe friends... anything that is getting in the way of you and God.

Retreats are our chance to be together as a group and spend time figuring out what this whole faith thing really means. We'll spend time learning and discussing things together, playing games, having fun, and, of course, eating!

These are unique opportunities for us to dig into a topic for an extended period of time and to get to know each other a lot better. Don't miss it!
